BROOME COUNTY STAKEHOLDER’S PLAN FOR AN OFF-HOURS CENTRALIZED ARRAIGNMENT PART

Objective: To develop a plan amongst the various stakeholders in Broome County for a “Centralized Arraignment Part” (hereinafter “CAP”) pursuant to NY Senate Bill S7209A, to provide defense for indigent defendants at all criminal arraignments in Broome County. It is thought that the creation of a “CAP” in Broome County will help to prevent further strain on the limited resources of the county in achieving this objective.
and there will be lockers provided to members of the public upon entrance to temporarily store any such belongings.

**Interpreting Services:** When necessary judges will endeavor to have court-certified interpreters present at arraignments for persons who do not speak English. In the event that an interpreter cannot be immediately obtained, judges will adjourn an arraignment proceeding to obtain an interpreter, or remote interpreting services may be utilized.

**Data Entry:** The on-duty local court justice shall be responsible that all appropriate data entry concerning an arraignment is completed in a timely fashion.

**Case Activity and Disposition Reporting:** Cases will be transferred to the court with original jurisdiction. Any fines or surcharges imposed will be made payable to the court of original jurisdiction.

**Collection of Bail:** Should bail be set at an arraignment, and should an arrestee have in his possession sufficient funds to cover the bail, the arrestee may immediately post such bail with the Broome County Sheriff for release from the Broome County Public Safety Facility. Bail shall be remitted to the court of original jurisdiction.

**Collection of Fines and Surcharges:** Arrestees who are assessed fines and/or surcharges at the “CAP” shall be provided with a notice to pay such fine and/or surcharge, by a date set by the sitting judge, with the court having original jurisdiction over the offense. Standardized forms will be available in the “CAP” for this purpose for the use by the judges. The arraignment judge shall be responsible for forwarding all such paperwork to the appropriate court.
Phase I:

Absent an amendment to Corrections Law §500-c, the Broome County Sheriff's office may not hold arrestees within the Broome County Jail to allow for set arraignment times in the "CAP." Further, most police agencies operating within Broome County do not have adequate facilities to hold prisoners for a significant length of time prior to an arraignment. As such, absent such an amendment the "CAP" will need to have "on-demand" hours between the hours of 7:00 P.M. and 7:00 A.M on weekdays, and all day and night on weekends. Therefore, Phase I of the plan will be put in place until such time as Corrections Law §500-c is amended.

The Phase I procedure shall be as follows:

All off-hours arraignments of criminal arrests, county-wide, will be conducted at the Broome County Public Safety Facility within the room described above. These arraignments will be conducted for all persons arrested without a warrant, and all persons arrested pursuant to an arrest or bench warrant. Arrestees will be brought by the arresting officer to the Broome County Jail where they will be escorted by corrections officers up to the courtroom. The arresting officer will check any weapons with the jail and will also proceed to the courtroom. Judges may enter the courtroom through the "administration" wing of the Sheriff's Department. Attorneys and members of the public may enter through the public "visitation" entrance of the jail and then pass through a magnetometer to enter the courtroom. No cell phones will be permitted and lockers are available for the checking of such phones. The courtroom has the capacity for sixteen persons, which includes up to ten members of the public.
Justices who are on-call must ensure that they stay close enough to the “CAP” so as to be able to travel to the “CAP” for arraignments within a reasonable period of time after receiving a call. On-call justices will also be responsible for answering their phone when they are called during their shift. On-call justices will further be responsible for meeting police officers at the Broome County Public Safety Facility within a reasonable time after receiving a call for the purpose of performing a prompt arraignment of any arrestees. After conducting such arraignment, on-call justices will be responsible for ensuring that all necessary post-arraignment paperwork and orders are completed.

If the arraignment is for a felony matter and a preliminary hearing is requested, such hearing will be scheduled and conducted by the court located within the municipality where the felony conduct allegedly occurred. It shall be the responsibility of the arraigning justice to, within 12 hours of completing the arraignment, notify the justice of the municipality in which the felony conduct allegedly occurred of the need to schedule such a preliminary hearing.
