Online System Implemented for Broome County Parks Reservations

(BINGHAMTON, NY) Reservations for Broome County Parks' picnic shelters and for family camping may now be made online.

The new online reservation system largely replaces the phone-in system of the past.

Implementation of the online system is expected to increase revenue and area tourism, bring greater public awareness of Broome County Parks facilities, as well as provide greater convenience to those wishing to make reservations.

2018 reservations may be made now for picnic shelters at Otsiningo Park, Grippen Park, Roundtop Picnic Area, Nathaniel Cole Park, Dorchester Park, Hawkins Pond Nature Area, and Greenwood Park. There are 17 picnic shelters available in Broome County.

Reservations for campsites at Greenwood Park, previously accepted beginning in March each year, are also available immediately, through the Reserve America website:
www.reserveamerica.com.

For additional information contact Broome County Parks and Recreation at (607) 778-2193.
